

LEGAL SERVICES CLINIC AND ALTERNATE DISPUTE RESOLUTION CENTRE

Justice should be a living reality for all .Lawyers are to be the social engineers .Lawyers who are sensitized to the problems and rights of the common man and also with social commitment is the need of this globalized era where profit is the sole mantra. Legal system should not be a inaccessible for marginalized and disadvantaged sections of population. Providing legal aid is a constitutional obligation as well as statutory duty. Legal Services Authority from National to taluk level focuses to make access to justice a reality. College students are a vibrant group who can serve the society in a very effective manner. Moreover the practical endeavors provide much knowledge than the class room sessions.Legal Education is incomplete without hands on experience

Legal Services Clinic & ADR Centre focuses on

- Providing legal aid
- legal awareness programmes for students as well as for various other sections of general public
- conducting monthly Lok adalats in association with District Legal Services Authority Thrissur
- organising Seminars and workshops with special focus on social inclusion
- training students on various ADR Mechanisms.
- extension work among socially excluded groups

Anti-Human Trafficking Club under the guidance of DLSA as well as the Anti-Human Trafficking Unit of Kerala Police is yet another initiative of the Centre.
